

Everyone TALKS about climate change and environmental protection - We DO something!

Change the future with e-mobility and become part of the GOVECS team.

Your perspective:

It's not just our electric scooters that are fun. Our corporate culture is also characterized by team spirit, flat hierarchies and openness to innovative and creative ideas. We offer you variety, short decision-making paths and a lot of independence with room for initiative and responsibility. We enable you to develop professionally and personally. With us you will find flexible working hours, the option to work from home and private use of our electric scooters. Build something new with us and make a real and lasting difference! Conquer new markets and get even more people excited about e-mobility. Become part of our team and our mutual success story!

- Well organized, executes with sense of urgency and transparently
- Experience in working with remote teams
- Knowledge of English is a must and knowing of Polish will be a plus

GOVECS AG | Bavariafilmplatz 7, Geb. 3a | 82031 Grünwald

WE:

The GOVECS Group, headquartered in Munich, is the leading manufacturer of electric scooters in Europe. We are redesigning urban mobility. Our success is based on high quality "Made in Europe" products for international sharing platforms (such as Emmy in Munich or Cityscoot in Paris) and the rapidly growing delivery industry. Private customers buy GOVECS electric scooters in our online shop or in our GOVECS SCOOTER stores in Munich, Berlin and Stuttgart. GOVECS also offers stationary and mobile services in Hamburg, Cologne and Frankfurt. Our diverse product range currently includes six very different electric scooters: Schwalbe (45km / h and 90km / h), ELMOTO LOOP, ELMOTO KICK, GOVECS PRO, GOVECS PRO CARGO and GOVECS FLEX. You can find more information at www.govecs.com and in our online shop www.govecs-scooter.com. We are also consultants for companies, cities and municipalities who want to offer a sharing service with e-scooters.
